

**NOTE ON TARIFF RATE QUOTAS FOR EGGS EXPORTED TO VIET NAM**

1. The following within-quota tariff reduction, which shall be done in three equal annual instalments to free, shall be applied to eggs originating in the Member States of the Eurasian Economic Union exported to Viet Nam in accordance with this Note.
2. Viet Nam shall accord to the Member States of the Eurasian Economic Union the total annual import quota of 8 000 dozen for eggs originating in the Member States of the Eurasian Economic Union, which shall be separate from the quantity of Viet Nam's tariff rate quotas for eggs under its WTO commitments.
3. The out-of-quota tariff rate shall be applied in accordance with the domestic laws and regulations of Viet Nam on tariff rate quotas and pursuant to Article 2.1 of this Agreement.
4. The annual growth rate of quota quantity is five percent.

| HS Code                  | Description   | Quota quantity        | Rate of customs duty within quota |      |      |                           | Rate of customs duty out of quota |
