ANNEX III

**CANADA'S RESERVATIONS TO
CHAPTER 11 (FINANCIAL SERVICES)**

INTRODUCTORY NOTE

1. For Canada, in the interpretation of a reservation in Section A, all elements of the reservation shall be considered. A reservation shall be interpreted in the light of the relevant provisions of the Chapter against which the reservation is taken. To the extent that:

- (a) the **Measures** element is qualified by a specific reference in the **Description** element, the **Measures** element as so qualified shall prevail over all other elements; and
- (b) the **Measures** element is not so qualified, the **Measures** element shall prevail over all other elements, unless any discrepancy between the **Measures** element and the other elements considered in their totality is so substantial and material that it would be unreasonable to conclude that the **Measures** element should prevail, in which case the other elements shall prevail to the extent of that discrepancy.

2. For Canada, in the interpretation of a reservation in Section B, all elements of the reservation shall be considered. The **Description** element shall prevail over all other elements.

HEADNOTES

1. Commitments under the Agreement, in the subsectors listed in this Schedule, are undertaken subject to the limitations and conditions set forth in these headnotes and in the Schedule below.
2. To clarify Canada's commitment with respect to Article 11.5 (Market Access for Financial Institutions), juridical persons supplying financial services and constituted under the laws of Canada are subject to non-discriminatory limitations on juridical form¹.
3. Article 11.10.1(c) (Non-Conforming Measures) shall not apply to non-conforming measures relating to Article 11.5(b) (Market Access for Financial Institutions).
4. For greater certainty, limitations on the participation of foreign capital in terms of maximum percentage limits on foreign shareholding or the total value of individual or aggregate foreign investment should not be considered a limitation to Article 11.5 (Market Access for Financial Institutions).

¹ For example, partnerships and sole proprietorships are generally not acceptable juridical forms for financial institutions in Canada. This headnote is not itself intended to affect, or otherwise limit, a choice by a financial institution of the other Party between branches or subsidiaries.
