

## ANNEX I

### SCHEDULE OF JAPAN

\*This Annex of CPTPP remain unchanged in comparison with that of TPP (according to WTO Center-VCCI)

#### INTRODUCTORY NOTES

In the interpretation of an entry, all elements of the entry shall be considered. An entry shall be interpreted in the light of the relevant provisions of the Chapters against which the entry is taken, and the **Measures** element shall prevail over all the other elements.

**Sector:** Agriculture, Forestry and Fisheries (Plant Breeder's Rights)

**Sub-Sector:**

**Industry Classification:**

**Obligations Concerned:** National Treatment (Article 9.4)  
Most-Favoured-Nation Treatment (Article 9.5)

**Level of Government:** Central

**Measures:** *Seeds and Seedlings Law* (Law No. 83 of 1998), Article 10

**Description:** Investment

A foreign person who has neither a domicile nor residence (nor the place of business, in the case of a legal person) in Japan cannot enjoy plant breeder's rights or related rights except in any of the following cases:

- (a) where the country of which the person is a national or the country in which the person has a domicile or residence (or its place of business, in the case of a legal person) is a party to *the International Convention for the Protection of New Varieties of Plants of December 2, 1961*, as Revised at Geneva on November 10, 1972, on October 23, 1978, and on March 19, 1991;
- (b) where the country of which the person is a national or the country in which the person has a domicile or residence (or its place of business, in the case of a legal person) is a party to *the International Convention for the Protection of New Varieties of Plants of December 2, 1961*, as Revised at Geneva on November 10, 1972, and on October 23, 1978 (hereinafter referred to in this Annex as "UPOV 1978"), or a country in relation with

which Japan shall apply UPOV 1978 in accordance with paragraph (2) of Article 34 of UPOV 1978, and further provides the protection for the plant genus and species to which the person's applied variety belongs; or

- (c) where the country of which the person is a national provides Japanese nationals with the protection of varieties under the same condition as its own nationals (including a country which provides such protection for Japanese nationals under the condition that Japan allows enjoyment of plant breeder's rights or related rights for the nationals of that country), and further provides the protection for the plant genus and species to which the person's applied variety belongs.

**Sector:** Agriculture, Forestry and Fisheries, and Related Services (except fisheries within the territorial sea, internal waters, exclusive economic zone and continental shelf provided for in the entry at Annex II – JAPAN – 12)

**Sub-Sector:**

**Industry Classification:**

**Obligations Concerned:** National Treatment (Article 9.4)

**Level of Government:** Central

**Measures:** *Foreign Exchange and Foreign Trade Law* (Law No. 228 of 1949), Article 27<sup>1</sup>  
*Cabinet Order on Foreign Direct Investment* (Cabinet Order No. 261 of 1980), Article 3

**Description:** Investment

1. The prior notification requirement and screening procedures under *the Foreign Exchange and Foreign Trade Law* apply to foreign investors who intend to make investments in agriculture, forestry and fisheries, and related services (except fisheries within the territorial sea, internal waters, exclusive economic zone and continental shelf provided for in the entry at Annex II – JAPAN– 12) in Japan.
2. The screening is conducted from the viewpoint of whether the investment is likely to cause a situation in which significant adverse effect is brought to the smooth operation of the Japanese economy.<sup>2</sup>

---

<sup>1</sup> For greater certainty, for the purposes of this entry, the definition of “inward direct investment” provided in Article 26 of the *Foreign Exchange and Foreign Trade Law* shall apply with respect to the interpretation of this entry.

<sup>2</sup> For greater certainty, absence of reference in this description to “national security”, which is referred to at Annex I – JAPAN – 14, 16, 18, 43, 58, 60, 71, 73 and 74, does not mean that Article 29.2 (Security Exceptions) does not apply to the screening or that Japan waives its right to invoke Article 29.2 (Security Exceptions) to justify the screening.

3. The investor may be required to alter the content of the investment or discontinue the investment process, depending on the screening result.

<b>Sector:</b>	Automobile Maintenance Business
<b>Sub-Sector:</b>	Motor vehicle disassembling repair business
<b>Industry Classification:</b>	
<b>Obligations Concerned:</b>	Market Access (Article 10.5) Local Presence (Article 10.6)
<b>Level of Government:</b>	Central
<b>Measures:</b>	<i>Road Vehicle Law</i> (Law No. 185 of 1951), Chapter 6
<b>Description:</b>	<u>Cross-Border Trade in Services</u>  A person who intends to conduct motor vehicle disassembling repair businesses is required to establish a workplace in Japan and to obtain approval from the Director-General of the District Transport Bureau having jurisdiction over the district where the workplace is located.

**Sector:** Business Services

**Sub-Sector:**

**Industry Classification:**

**Obligations Concerned:** Market Access (Article 10.5)  
Local Presence (Article 10.6)

**Level of Government:** Central

**Measures:** *Employment Security Law* (Law No. 141 of 1947), Chapter 3 and Chapter 3-3  
*Law Concerning Securing the Proper Operation of Worker Dispatching Undertakings and Protecting Dispatched Workers* (Law No. 88 of 1985), Chapter 2  
*Port Labour Law* (Law No. 40 of 1988), Chapter 4  
*Mariner’s Employment Security Law* (Law No. 130 of 1948), Chapter 3  
*Law Concerning the Improvement of Employment of Construction Workers* (Law No. 33 of 1976), Chapter 5 and Chapter 6

**Description:** Cross-Border Trade in Services

A person who intends to supply the following services for enterprises in Japan is required to have an establishment in Japan and to obtain permission from, or to submit notification to, the competent authority, as applicable:

- (a) private job placement services including fee-charging job placement services for construction workers; or
- (b) worker dispatching service including stevedore dispatching services, mariner dispatching services and work opportunities securing services for construction workers.

Labour supply services may be supplied only by a labour union

which has obtained permission from the competent authority pursuant to the *Employment Security Law* or *Mariner's Employment Security Law*.

<b>Sector:</b>	Collection Agency Services
<b>Sub-Sector:</b>

*Regulations on Measurement Law* (Ministerial Ordinance of the Ministry of International Trade and Industry No. 69 of 1993)  
*Ministerial Ordinance for Designated Inspection Body, Designated Verification Body, Designated Measurement Certification Inspection Body and Specified Measurement Certification Accreditation Body* (Ministerial Ordinance of the Ministry of International Trade and Industry No. 72 of 1993)

**Description<sup>8</sup>:** Cross-Border Trade in Services

---

<sup>8</sup> For the purposes of this entry:

- (a) “measuring instruments” means appliances, machines or equipment used for measurement;
- (b) “specified measuring instruments” means measuring instruments used in transactions or certifications, or measuring instruments principally for use in the life of general consumers, and those specified by a Cabinet Order as necessary to establish standards relating to their structure and instrumental error in order to ensure proper execution of measurements;
- (c) “measurement certification businesses” under the requirement described in paragraph 3 are listed in the following and the registration shall be in accordance with the business classification specified by the Ordinance of the Ministry of Economy, Trade and Industry:
  - (i) the business of measurement certifications of length, weight, area, volume or heat concerning goods to be loaded/unloaded or entered/dispatched for transportation, deposit or sale or purchase (excluding the measurement certifications of mass or volume of goods to be loaded on or unloaded from ship); and

1. A person who intends to supply services of conducting the periodic inspection of specified measuring instruments is required to establish a legal person in Japan and to be designated by the prefectural governor having jurisdiction over the district where the person intends to conduct such inspection, or by the mayor of a designated city or the chief of a designated ward or village in case the place where the person intends to conduct such inspection is located within the district of such designated city, ward or village.

2. A person who intends to supply services of conducting the verification of specified measuring instruments is required to establish a legal person in Japan and to be designated by the Minister of Economy, Trade and Industry.

3. A person who intends to conduct measurement certification business, including specified measurement certification business, is required to have an establishment in Japan and to be registered with the prefectural governor having jurisdiction over the district where the establishment is located.

4. A person who intends to supply services of conducting the inspection of specified measuring instruments used for the measurement certification is required to establish a legal person in Japan and to be designated by the prefectural governor having jurisdiction over the district where the person intends to conduct such inspection.

5. A person who intends to supply services of conducting the accreditation for a person engaged in specified measurement certification business is required to establish a

- 
- (ii) the business of measurement certifications of concentration, sound pressure level or the quantity of other physical phenomena specified by a Cabinet Order (excluding what is listed in (i));

however, this requirement shall not apply to the case where a person engaged in the measurement certification business is a national government, a local government, or an incorporated administrative agency prescribed by Article 2, paragraph 1 of *the Law on General Rules for Incorporated Administrative Agency* (Law No. 103 of 1999) who is designated by a Cabinet Order as competent to appropriately perform the measurement certification business, or where the measurement certification business is performed by a person who has been registered or designated or received to conduct that business pursuant to the provision of the law specified by that Cabinet Order; and

- (d) “specified measurement certification business” means the business specified by a Cabinet Order as these requiring high levels of technology to certify measurement of considerably tiny quantities of physical phenomena prescribed in subparagraph (c)(ii).

legal person in Japan, and to be designated by the Minister of Economy, Trade and Industry.

6. A person who intends to supply services of conducting the calibration of measuring instruments is required to establish a legal person in Japan and to be designated by the Minister of Economy, Trade and Industry.

<sup>14</sup> For greater certainty, absence of reference in this description to “national security”, which is referred to at Annex I – JAPAN – 14, 16, 18, 43, 58, 60, 71, 73 and 74, does not mean that Article 29.2 (Security Exceptions) does not apply to the screening or that Japan waives its right to invoke Article 29.2 (Security Exceptions) to justify the screening.

the investment or discontinue the investment process, depending on the screening result.

4. Permission of the Minister of Land, Infrastructure, Transport and Tourism for conducting air transport businesses as a Japanese air carrier is not granted to the following natural persons or entities applying for the permission:

- (a) a natural person who does not have Japanese nationality;
- (b) a foreign country, or a foreign public entity or its equivalent;
- (c) a legal person or other entity constituted under the laws of any foreign country; and
- (d) a legal person represented by the natural persons or entities referred to in subparagraph (a), (b) or (c); a legal person of which more than one-third of the members of the board of directors are composed of the natural persons or entities referred to in subparagraph (a), (b) or (c); or a legal person of which more than one-third of voting rights are held by natural persons or entities referred to in subparagraph (a), (b) or (c).

In the event that an air carrier becomes a natural person or an entity referred to in subparagraphs (a) through (d), the permission will lose its effect. The conditions for the permission also apply to companies such as holding companies, which have substantial control over the air carriers.

5. A Japanese air carrier or a company having substantial control over such air carrier, such as a holding company, may reject the request from a natural person or an entity set forth in paragraphs 4(a) through 4(c), who owns equity investments in such air carrier or company, to enter its name and address in the register of shareholders, in the event that such air carrier or company becomes a legal person referred to in paragraph 4(d) by accepting such request.

6. Foreign air carriers are required to obtain permission of the Minister of Land, Infrastructure, Transport and Tourism to conduct international air transport businesses.

7. Permission of the Minister of Land, Infrastructure, Transport and Tourism is required for the use of foreign aircraft for air transportation of passengers or cargoes to and from Japan for remuneration.

8. A foreign aircraft may not be used for a flight between points within Japan.

**Sector:** Wholesale and Retail Trade

**Sub-Sector:** Livestock

**Industry Classification:**

**Obligations Concerned:** Local Presence (Article 10.6)

**Level of Government:** Central

**Measures:** *Livestock Dealer Law* (Law No. 208 of 1949), Article 3

**Description:** Cross-Border Trade in Services

A person who intends to conduct livestock trading business is required to be resident in Japan, and to obtain a licence from the prefectural governor having jurisdiction over the place of residence. For greater certainty, “livestock trading” means the trading or exchange of livestock, or the good offices for such trading or exchange.

<b>Sector:</b>	Aerospace Industry
<b>Sub-Sector:</b>	Aircraft manufacturing and repairing industry
<b>Industry Classification:</b>	
<b>Obligations Concerned:</b>	National Treatment (Article 9.4 and Article 10.3) Performance Requirements (Article 9.10) Market Access (Article 10.5) Local Presence (Article 10.6)
<b>Level of Government:</b>	Central
<b>Measures:</b>	<i>Foreign Exchange and Foreign Trade Law</i> (Law No. 228 of 1949), Article 27 and Article 30 <sup>22</sup> <i>Cabinet Order on Foreign Direct Investment</i> (Cabinet Order No. 261 of 1980), Article 3 and Article 5 <i>Aircraft Manufacturing Industry Law</i> (Law No.237 of 1952), Article 2, Article 3, Article 4 and Article 5
<b>Description:</b>	<u>Investment and Cross-Border Trade in Services</u>  1. The prior notification requirement and screening procedures under the <i>Foreign Exchange and Foreign Trade Law</i> apply to foreign investors who intended to make investments in the aircraft industry in Japan.  2. The screening is conducted from the viewpoint of whether the investment is likely to cause a situation in which national security is impaired, the maintenance of public order is disturbed, or the protection of public safety is hindered.  3. The investors may be required to alter the content of the investment or discontinue the investment process, depending on the screening result.

---

<sup>22</sup> For greater certainty, for the purposes of this entry, the definition of “inward direct investment” provided in Article 26 of the *Foreign Exchange and Foreign Trade Law* shall apply with respect to the interpretation of this entry.

4. A technology introduction contract between a resident and a non-resident related to the aircraft industry is subject to the prior notification requirement and screening procedure under the *Foreign Exchange and Foreign Trade Law*.
5. The screening is conducted from the viewpoint of whether the conclusion of the technology introduction contract is likely to cause a situation in which national security is impaired, the maintenance of public order is disturbed, or the protection of public safety is hindered.
6. The resident may be required to alter the provisions of the technology introduction contract or discontinue the conclusion of that contract, depending on the screening result.
7. The number of licences conferred to manufactures and service suppliers in those sectors may be limited.
8. An enterprise which intends to produce aircraft and supply repair services is required to establish a factory related to manufacture or repair aircraft under the laws and regulations of Japan.
